KRINGLE DESCRIPTIONS FROM O&H DANISH BAKERY:

Almond

Our traditional Danish Almond Kringle is one of our best-loved pastries. The exceptionally flavorful and smooth taste make this a favorite since our grandparents started making these special Danish treats over 70 years ago.

Apple

Our classic Apple Kringle in our traditional flaky pastry is one of our favorites. We have lightly sprinkled crisp apples with cinnamon and added a fabulous scratch made filling that makes this Kringle a favorite for everyone!

Cherry Cheese

Our Cherry Cheese Kringle expertly blends velvety smooth Wisconsin cream cheese and 100% juicy Wisconsin Door County Montmorency cherries. We then finish this Kringle with a streusel topping and drizzle icing that makes it melt in your mouth.

Cinnamon Roll

Our Cinnamon Roll Kringle will remind you of fresh cinnamon rolls warming in the kitchen oven. Buttery sweet cinnamon and sugar filling surrounded by our delicious flaky pastry and then topped with sweet icing make this a real treat you're sure to enjoy!

Pecan

Our Pecan Kringle is the heart of our authentic Danish Kringle. It is our most popular flavor and has been a favorite for over 70 years. Chock-full of fancy pecans, blended with a smooth brown sugar and cinnamon filling. You will be hooked after the first bite.

Raspberry

One of our most popular flavors, Raspberry Kringle is a favorite of many. Sweet ruby, red raspberries are picked fresh and then blended into perfection. We know you will love it!
