## ANGEL OF THE WEEK INTRODUCTION

Next week we start Angel of the Week. This is a chance for your child to showcase their family and life outside of school. They will also get to be the line leader and the teacher's helper throughout the week! When it is your child's week, we will send home half of a poster board with instructions on what to do. You will help your child fill the poster with pictures and pick out a book to read in class. Each child will get a chance to be the Angel of the Week one time throughout the school year.

We do not have any birthdays this month.

## WHAT ARE WE LEARNING?

For the first four weeks we are working on the beginning skills needed to write our letters. This week we worked on our crayon grip. We worked on holding it just right: "our thumb is bent, pointer points to the tip, tall man uses its side; we tuck our last 2 fingers and take them for a ride."
