Right now, the 100<sup>th</sup> day of school is {tentatively} scheduled for Tuesday, February 3<sup>rd</sup> {weather pending}. Please start getting ideas for how your child could dress up as a centenarian/senior citizen for this day. The kids have a lot of fun dressing up and counting to 100.

On Wednesday, February 4<sup>th</sup> PALS has another meeting at 8:00 A.M. in the Narthex.

### Religion

During our religion time, we have been learning about who is Jesus, the Son of God in stories about the disciples, Jesus' first miracle in Cana, and when Jesus blesses the children.

For thirty years, God's Son lived in this world and only a few people knew who He was. Others might have realized that Jesus was special because of His sinlessness and devotion to the Father, but they didn't realize how special He was.

John baptized Jesus. He heard the Father's words and saw the dove. Now John knew that Jesus was the Lamb of God who had come to take away the sin of the world.

John's introduction set off a chain of telling. Andrew realized this man was the Messiah. He wanted to tell his brother Peter. Soon after Jesus met Philip. Philip then told Nathanael.

Now it is our privilege and opportunity to keep that chain reaction going, to keep introducing new people to Jesus. In God's Word, point to Jesus as the perfect sacrifice for sin. Tell others that He is the Savior of all.
