### Religion

During our religion time, we have been learning about Jesus at the home of Mary and Martha.

This story shows us the importance of having Jesus as our first priority. Martha was not doing anything wrong in preparing for her Lord. She had just lost her focus on what was important. As Martha scurried around performing her tasks, Mary focused intently on Jesus. When Martha noticed Mary, she became frustrated and felt as if Mary was neglecting her duties to the Lord. Martha was direct—she did not go back to the kitchen to sulk, Martha went straight to her Lord!

"Lord, do You not care that my sister has left me to serve alone? Tell her then to help me" (Luke 10:40). Martha firmly believed that Jesus would see that she had done the right thing and that her sister, Mary, had done the wrong thing. At this point in the story, it is important to remember that Jesus loved Martha too. When Jesus answered Martha, He dealt first with her immediate needs. "Martha, Martha, you are anxious and troubled about many things" (Luke 10:41). Jesus gently let her know that He understood that she was upset. But then, He continued with "but one thing is necessary." For a moment Martha had forgotten why she was serving and who was most important.
