Fishing With Dad May 2nd

We hope the fish are biting on Thursday, May 2nd! We have so many fun things planned for our special day with Dad. Please join us in praying for good weather. We will use our morning class time (8:30-11:00) for our adventure as we drive to Osage Beach Park.

Also, remember that we must have a signed

permission slip from each family and you need to arrange transportation for your child if Dad is unable to attend. For those Dads that are unable to get off from work, we will miss you! Hopefully grandpa, uncle or male friend can come. The park will supply the fishing poles but if you have your own, please bring them. We will make sure to have plenty of worms!!

Our Bible Story:

Saul Becomes a Believer for Jesus

Bible Verse

"For God So Loved the World That He Gave His One and Only Son"

John 3:16

Next Week:

Bring something beautiful or

starts with the letter

"Bb".

Flying to New Heights With Butterflies!!

We are planning to celebrate "New Life" as we study caterpillars and how they turn into butterflies. Butterfly sorting, counting, and addition will help improve our math skills. As we wait for our cocoons to open, we'll learn that Jesus broke free from death and the tomb just like butterflies break free from their cocoons.

The children will learn the awesome story of Paul and how he was blinded on the road to Damascus. His heart was changed from hating Christians to spending his whole life spreading the good news of Christ. God is still changing hearts.
