November 9, 2022

Mrs. Peggy and Mrs. Sue

Chilly Weather is here!

Please remember to check the weather when sending your child to school. A winter jacket will most likely be needed in the mornings. Sooner than later hats and mittens will be appreciated. We will be going outside on most days unless it is bitterly cold or wet.

Thanksgiving Pow Wow

We will be making Indian headdresses and reading books about the first Americans to get ready for our celebration November 22nd. We plan to dress up like Pilgrims and Indians and act out the first Thanksgiving. Many thanks to the parents who are sending in items for our feast. It is going to be a very special day!

Our Bible Story: Jonah and the Big Fish

We have a whale of a tale next week with our last story from the Old Testament. We will read the book "Whoops" and will learn there's nothing fishy about following God's commands.

Scripture for the Month:

Psalm 136:3, 7, 9

"Give Thanks to the Lord who
made the moon and the stars."

Wow For the Letter "Ww"

Next week we will be working on the slanting stick letter "Ww". While the Bible doesn't specify whether Jonah was eaten by a big fish or a whale, we have a whale craft that the kids will enjoy!! Worms will be our science focus. Where the Wild Things Are is a classic book that we will read.
