### Religion

During our religion time, we have been learning about Jesus teaching about prayer.

People of many faiths pray, but Christian prayer is unique. Christians pray to the one true God, a triune God. They worship the Father, in the name of His Son, and through the power of the Holy Spirit.

Christians pray with confidence, knowing that God promises to answer the prayers of His children in the way and at the time He sees is best.

Christians pray according to God's will. If we do not know God's will, then we rely on the Spirit to help us and intercede for us.

Christians pray for all people, including our enemies. Christians pray for their own physical and spiritual needs, and for the redemption of unbelievers.

Christians can pray everywhere, at all times, under all circumstances, and together with other Christians. Christians pray for God's gifts of forgiveness, life, and salvation.

## Memory Verse of the Week for 3-30-26-4-02-26 Due Thurs.

### Memory Work: The Apostles' Creed Pt. 2

He ascended into heaven and sits at the right hand of God, the Father Almighty. From thence He will come to judge the living and the dead. I believe in the Holy Spirit, the holy Christian church, the communion of saints, the forgiveness of sins, the resurrection of the body, and the life everlasting. Amen.
