Dear Families,

These past few weeks has shown some really amazing growth from your children. We are still working on some classroom behaviors and expectations, but the kids are responding so well and understanding their responsibilities as students.

Two words from our school pledge that we are focusing on is "respectful" and "responsible." We talk about how we can show these two r's both in and out of the classroom.

Reading Corner

Superkids:

We are starting Unit 16 next week. The Superkids have made their clubhouse bus and will now decide what their club should do. We are also working on our clubhouse bus! The kids are very excited!

Spelling: My has a for you

Important Note

Our final two Fruits of the Spirit are Gentleness for March and Self Control for April.

The whole class is working hard on self control and it would be amazing if I could give it as a whole class reward.

Religion

One in Christ:

Next week's topic is Mary Listens to Jesus.

Chapel Offering:

Global Kids Fund

Memory:

Blessed...are those who hear the word of God and keep it! Luke 11:28

We also have devotions every afternoon from my old book *Little Visits With God*. This has prompted some really great conversations about God.

Show and Tell

Something that starts with letter Ff or Hh.

Math

Addition was a fun unit for the class. We started math stations which the kids really enjoyed.

The packet I am sending home is on addition. This is not required homework rather supporting work for continuing learning at home.

Our next unit will be on subtraction.
