Thank you so much for Teacher Appreciation Week! You were all very generous and I felt truly appreciated!

This was our last week for memory and spelling tests. I'll collect homework in the yellow folder next Thursday. Congratulations, you made it!

We have been reading the Magic Tree House series and we will have finished books #1-16. The kids are really enjoying them so I thought if you'd like to continue reading these with your child you can start with book 17. The mysteries are usually solved in 4 books so the next mystery will be solved in book #20. They can be bought at any book store or online and are about \$5 each. They are also at your local library.
