### GETTING INTO THOSE ROUTINES

Now that we are really rolling we are working on turning our procedures into routines. What I am looking for right now is for the class to be able to transition quietly and quickly. This is a hard task at this age as they are not use to so much learning and seat time. I do break up the day and the learning with some active learning and that helps.

Another task we are working on, that is new for kindergarten, is going to the bathroom with one or two other classmates quietly. That urge to talk and be silly gets the better of them sometimes.

#### SHOW AND TELL

Theme: Letter O short O  
sound as in "Ox"

Show and Tell days are the same and will be all year for Tuesday, Wednesday, and Thursday kids.

Next week Monday kids will go on Friday.

#### RELIGION

Unit 1: God Creates the  
World and Calls a Nation

This week we will talk  
about the Birth of Isaac and  
Jacob and Esau

#### SOCIAL STUDIES

We are continuing our Unit  
on Rules and will learn  
about Fairness/Equity and  
Courage

#### READING

We get to meet our new  
Superkid this week! His  
name starts with the letter  
O. Ask your child all about  
our new Superkid and what  
he likes to do.

#### SCIENCE

We have been introduced  
to the concept of  
temperature. This week we  
will track temperature 3  
times a day.
