## The King's Academy Kindergarten

Week 28

Mar 10, 2023

If you are looking for ways to improve your student's learning over Spring Break, those little white books I send home weekly are a great resource! Have your student read each one 3 times. Also, we are working on money in math. Have your student identify the penny, nickel, dime, and quarter. Ask how much each one is worth, then work with them on counting change.

**Have a great Spring Break!**
