Weekly News from Ms. Staci

Happy Friday!

We will learn all about the letter Zz next week which means we will make it through the alphabet next Friday. We have spent the year learning our uppercase letters, sounds, how to form them and how to write them. Each child will have a memory book with their letter crafts made throughout the year along with some easy reading words/pictures to help them over the summer remember their letters and start some prereading skills. I will send their books home with them the last week of school.

Our theme for the last 5 weeks of school will be animals! If your child has a special pet they would like to bring in for show-n-tell please let me know so we can make arrangements.

Thank you! Have a blessed weekend!
