A Note from the Teacher

Dear First Grade Families,

Happy Friday! I hope you all have had a wonderful week. We have had another busy week in first grade, filled with lots of reading, math, spelling, etc, but most importantly, learning about Jesus!

I have been very impressed with the homework logs the students have been turning in. Thank you for having your child practice important skills at home. Please remember you and your child have access to the Superkids app online. This app has every story, book, and magazine we are currently reading in class. It also has games to play and videos to watch. If your child is on the Superkids app, it can count as part

of his/her reading homework. I cannot stress enough how important it is for first graders to read every day. This is a HUGE learning year for the students. The more they practice, the better readers they will become. Thank you for your support from home. It is appreciated! As always, let me know if you have any questions.

I hope you all have a blessed weekend. See you Monday!

In Christ, Mrs. Jordan 😊
